

spiritual formation in the church

february 22-24, 2018

“Spiritual Formation in the Church” is a conference designed for ministry leaders and pastors who desire to learn how genuine spiritual formation can take place in our churches. Knowing that we can never take people to places we’ve never been, this conference will challenge leaders in their own formation as they consider how formation can occur in children’s ministry, student ministry, and adult ministry.

- What does it mean to have worship that is spiritually forming?
- How do we encourage people to meet in small groups that nurture the soul?
- How do we preach and teach in such a way that people are formed holistically rather than simply giving more information?
- What is the role of Spiritual Direction in the church?

We'll examine how the church can embrace the call to spiritual formation as a way to lead rather than spiritual formation simply being a part of what happens at church.
